

WINE IN "MOTION"

"El ritmo Chileno Through the wine glass"

"... Let your palate be caressed by the taste of wines with bold spices and big blackberry fruit, or an underlying hint of black pepper with a soft rich smooth feeling ..."

Or do you prefer the light-bodied, delicious, fruity flavor, perfect for spring and summer gatherings

"... The easiest way to swirl is to let the rhythm "awaken" your body and go with the music...move a step forward.. one backward...one aside...and between a glass of red or white wine...live the salsa, the meringue , etc ..."

Come and join the "Regina Gellero", from Chile for a night and get ready for the **hottest new JIC event** to grace the wine world.

The International Wine Tasting will feature **LIVE** South American Folk Music , great wines and delicious appetizers! And don't forget ... the prizes and surprises.

JIC is proud to present ...

Wine in "Motion".

This event is sure to leave everyone dancing among "virtual" vines. All you need to do is to book your ticket.... We will provide the band and the venue is at
